How to submit Residential HPWH Rebate Application

1. Read the Program Terms and Conditions below.
2. Fill out all sections completely. Attach a copy of the following:
 - a. Copy of the contract/invoice or sales receipt which clearly lists the model number of the unit.
 - b. Copy of the Building Permit (or receipt for the purchase with permit number).
3. Ensure all information is correct, legible, and the Notice of Completion section is signed and dated after the installation is completed. Provide mailing address (if different from installation address) of the person applying for the rebate. Incomplete application may cause the rebate to be delayed or returned to the customer.
4. Mail completed and signed rebate application form with required attachments within 60 days of equipment installation to:
SMUD
Equipment Efficiency Program, M.S. A203
P.O. Box 15830
Sacramento, CA 95852-0830

IMPORTANT – Applicants are advised to retain a copy of this form, sales receipt/proposal and any applicable material submitted to SMUD under this program for your records. SMUD will not be responsible for lost or damaged documentation pertaining to this rebate application request.

Program Terms and Conditions

1. Product installed and/or equipment provided must:
 - a. Comply with SMUD's Heat Pump Water Heater Program Guidelines.
 - b. Only retrofit of an existing residential dwelling qualifies. Residence must have an active SMUD residential electric service at time of application and must be fully constructed and occupied.
 - c. Be for personal use only, NOT FOR RESALE.
2. Rebate programs are subject to availability of funds. SMUD expressly reserves the right to modify, amend or terminate the Heat Pump Water Heater Program in whole or in part, at any time and for any reason without prior notice. Call 916-732-6798 to obtain current rebate program information.
3. Customer is solely responsible for obtaining related building permits and completing the inspection process as required by local jurisdiction.
4. **Disclaimer of Warranties:** SMUD makes no representations, expressed or implied, regarding the design, installation, construction, reliability, efficiency, performance, operation, maintenance, or use of any energy efficiency equipment or systems analyzed, discussed, selected, rejected, installed or otherwise considered by customer. Any decisions regarding the selection, design, installation, use and operation of any energy efficiency equipment or systems shall be at the sole discretion and are the sole responsibility of the customer.
5. **Customer/Purchaser shall indemnify, defend, and hold harmless** SMUD, its directors, officers, agents, and employees against all claims, loss, damage, expense, and liability asserted or incurred by other parties, including but not limited to SMUD's employees, arising out of or in any way connected with the performance of this agreement and caused by acts, omissions, intent or negligence, whether active or passive, of customer, its agents, employees, and suppliers, and excepting only such loss, damage, or liability as may be caused by the intentional act or the sole negligence of SMUD.
6. By applying for rebate, the customer acknowledges that the rebate influenced their decision to install the energy efficient measure at their residence.
7. SMUD reserves the right to inspect installation. Additional information/documentation may be requested prior to rebate payment. Rebate may be denied by SMUD if this condition is not met by purchaser/customer.
